

INDEX 1922—VOLUME XV, Nos. 1-12 Inclusive

The Index of the contents of this volume has been subdivided into four parts, viz: Miscellaneous, Index of Original Contributions, Index of Authors with Title of Contribution, and Index of Editorials.

Papers whose titles contain two or more suggestive substantives are indexed under as many letters as necessary to render their location plain from either point of interest.

MISCELLANEOUS

Chattanooga Meeting, The	860
Chattanooga, The Convention City.....	938
Minutes, Southern Medical Association, Fifteenth Annual Meeting, Hot Springs, Ark., Nov. 14-17, 1921.....	70
Program, Chattanooga Meeting, Southern Medical Association, Nov. 13-16, 1922	942

INDEX OF ORIGINAL CONTRIBUTIONS

A

Abdominal Adhesions, Clinical Significance of: Julius Friedenwald and Theodore H. Morrison, Baltimore, Maryland	804
Abdominal Pain, Food Allergy as a Cause of: W. W. Duke, Kansas City, Mo.	599
Abdominal Trauma Without Symptoms: Case Report. Severe Intra-: W. W. Harper, Selma, Ala.	915
Abscess of the Lung: Etiology: H. W. Lyman, St. Louis, Mo.	744
Abscess, On the Clinical Course and Diagnosis of Post-Operative Pulmonary: Charles L. Minor, Asheville, N. C.	749
Abscess: Sinus Normal. Choked Discs from Perisinus: J. H. Buckley, Fort Smith, Ark.	762
Abscess, The Treatment of Lung: Chas. O. Giese, Colorado Springs, Colo.	755
Acid in Gastro-Intestinal Pathology, Hydrochloric: J. C. Johnson, Atlanta, Ga.	799
Acne, Treatment of: Cosby Swanson, Atlanta, Ga.	27
Adenomata of the Colon and Rectum, Malignant: John L. Jelks, Memphis, Tenn.	816
Adhesions, Clinical Significance of Abdominal: Julius Friedenwald and Theodore H. Morrison, Baltimore, Maryland	804
Allergy as a Cause of Abdominal Pain, Food: W. W. Duke, Kansas City, Mo.	599
Amputation of the Leg: Thomas H. Hancock, Atlanta, Georgia	742
Anesthesia, Crawford W. Long, the Discoverer of: Frank K. Boland, Atlanta, Ga.	919
Anesthesia, Spinal: J. R. Garner, Atlanta, Ga.	646
Aneurysm of the Heart Complicated with Chronic Mediastino Pericarditis, with Post Mortem Findings: Ellsworth Smith, St. Louis, Mo.	962
Anginal Pains, Significance and Diagnosis of Cardiac: D. D. Paulus, Oklahoma City, Okla.	545
Anti-Malarial Campaigns, Difficulties and Errors Before and After: C. C. Bass, New Orleans, La.	339
Anti-Mosquito Agency, Fish as an: J. A. LePrince, Memphis, Tenn.	371
Anti-Syphilitic Treatments, Rural Administration of: Hardie R. Hays, Jackson, Miss.	387
Aortitis, X-Ray Diagnosis of: Thompson Frazer and John D. MacRae, Asheville, N. C.	261
Arkansas Travelers, Notice: Wm. R. Bathurst, Little Rock, Ark.	333
Arthritis in the Male, Some Observations on the Treatment of Gonococcal: Neil Moore, St. Louis, Mo.	737
Association vs. Isolation for a Young Man in Private Practice: Stewart R. Roberts, Atlanta, Ga.	411
Atrophy, Bone: Barney Brooks, St. Louis, Mo.	823
Auricular Fibrillation, The Murmur of Mitral Stenosis in the Presence of: Neuton S. Stern, Memphis, Tenn.	774
Aurist to Group Medicine, The Relationship of the Oculist and: R. H. T. Mann, Texarkana, Ark.-Tex.	62
Autopsy Report, Micrococcus Lanceolatus Meningitis with: Oliver W. Hill, Knoxville, Tenn.	465

B

Bacterial Count in Milk to Diseases in Children Consuming it, The Relation of: J. Ross Snyder, Birmingham, Ala.	33
Bacteriology, Correlation of Medicine and: M. I. Graves, Galveston, Tex.	931
Birth Paralysis as Endocrines, A Further Report on the Classification of: Lee Ben Clarke, Atlanta, Ga.	534
Bladder, Extrophy of the: W. W. Grant, Denver, Colo.	297
Bladder (Urachus) and Pyonephrosis, Spina Bifida with Associated Diverticulum of: Joseph H. Smith, Memphis, Tenn.	302
Blood Chemistry to the Surgeon, The Value of: Wm. H. Bailey, Oklahoma City, Okla.	394
Blood Pressure, The Causes and Treatment of High: Bryce W. Fontaine, Memphis, Tenn.	957
Boards of Health in the Prevention of Disease, The Possibilities of Cooperation of Railroad Officials with Local, State and Federal: Joe P. Bowdoin, Adairsville, Ga.	468
Bone Atrophy: Barney Brooks, St. Louis, Mo.	823
Bones, A Good Method of Treating Selected Fractures of Long: W. Barnett Owen, Louisville, Ky.	476
Breast Disease, A Review of 300 Cases of: Irvin Abell and Stuart Graves, Louisville, Ky.	390
Breast (Reprint 108), The Clinical Picture of the Diffuse Type of Chronic Cystic Mastitis (The "Shotty": Joseph C. Bloodgood, Baltimore, Md.	907
Bronchiectasis, Consideration of the Surgical Treatment of: Evarts A. Graham, St. Louis, Mo.	639

C

Calculi, Presentation of an Instrument for Removal of Ureteral: George R. Livermore, Memphis, Tenn.	316
Cancer of the Uterus with Radium, The Treatment of: Louis Frank, Louisville, Ky.	489
Cancer, Radium in the Treatment of Uterine: C. O. Donaldson and G. E. Knappenberger, Kansas City, Mo.	224
Cancer, The Possible Relation of Secretin to: Elliott C. Prentiss, El Paso, Tex.	181
Cancer, The Roentgenologic Diagnosis of Gastric: Russell D. Carman, Rochester, Minn.	20
Cardiac Anginal Pains, Significance and Diagnosis of: D. D. Paulus, Oklahoma City, Okla.	545
Caruncle: Report of a Case of Sebaceous Cyst of the Caruncle, Cysts and Cystic Tumors of the: John Green, Jr., St. Louis, Mo.	234
Cataract Extraction, Glaucoma Following: Wallace Ralston and Everett L. Goar, Houston, Tex.	581
Chemistry to the Surgeon, The Value of Blood: Wm. H. Bailey, Oklahoma City, Okla.	394
Chest, Influence of Posture on Physical Signs in the: J. Birney Guthrie, New Orleans, La.	771
Child, An Interesting Case of Pellagra in a Young: Robert A. Strong, Pass Christian, Miss.	550
Childhood and Its Relation to Manifest Pulmonary Tuberculosis in the Adult, Direct Exposure to Tuberculosis in Infancy and: W. M. Taylor and L. J. Moorman, Oklahoma City, Okla.	692
Children, Body Mechanics—Its Effect on the Health of: F. B. Talbot, Boston, Mass.	171
Children for Digitalis, The Tolerance of: Hugh McCulloch and Wayne A. Rupp, St. Louis, Mo.	381
Children, Endocrines in: W. W. Harper, Selma, Ala.	536
Children, Infectious Diarrhea in Young: Ralph C. Spence, Dallas, Tex.	189
Children, Paranasal Sinus Disease in Infants and Young: L. W. Dean, Iowa City, Iowa.	846
Children, Temperature Variability in Certain Apparently Normal: Frank C. Neff, Kansas City, Mo.	268
Children, The More Common Causes of Chronic Urinary Obstruction in Male: W. A. Frontz, Baltimore, Md.	570
Child, The Post-Mature: Charles B. Reed, Chicago, Ill.	286
Child Welfare Work, Organization and Activities: F. J. Underwood, Jackson, Miss.	281
Choked Discs from Perisinus Abscess: Sinus Normal. J. H. Buckley, Fort Smith, Ark.	762
Chronic Cystic Mastitis (The "Shotty" Breast) (Reprint 108), The Clinical Picture of the Diffuse Type of: Joseph C. Bloodgood, Baltimore, Md.	907
Climatic Influence in Infection of the Upper Respiratory Tract: Chas. A. McWilliams, Gulfport, Miss.	924
Clinical Course and Diagnosis of Post-Operative Pulmonary Abscess, On the: Charles L. Minor, Asheville, ...	

N. C.	749	Diseases, The X-Ray as an Adjunct in Diagnosis of Gastro-Intestinal: Fred H. Clark, Oklahoma City, Okla.	606
Clinical Departments, Full-Time: George Dock, St. Louis, Mo.	1013	Diurese the Normal Constituents of the Urine, A Procedure for Demonstrating the Power of the Kidneys to Concentrate and: W. H. Olmsted, St. Louis, Mo.	677
Clinical Medicine, The Use of Full-Time Teachers in: G. Canby Robinson, Baltimore, Md.	1009	Diverticula of the Esophagus: Chas. G. Lucas, Louisville, Ky.	542
Clinical Methods, Pulsus Alternans: Its Significance and Recognition by Ordinary: Randolph Lyons, New Orleans, La.	431	Diverticulum of Bladder (Urachus) and Pyonephrosis, Spina Bifida with Associated: Joseph H. Smith, Memphis, Tenn.	302
Clinical Picture of the Diffuse Type of Chronic Cystic Mastitis (The "Shotty" Breast) (Reprint 108), The: Joseph C. Bloodgood, Baltimore, Md.	907	Duodenal Tube in the Study of Liver and Pancreatic Pathology, The: C. W. Dowden and C. D. Enfield, Louisville, Ky.	103
Clinical Significance of Abdominal Adhesions: Julius Friedenwald and Theodore H. Morrison, Baltimore, Maryland	804	E	
Clinical Value of Protein Sensitization Tests, The: Sydney R. Miller and Walter A. Baetjer, Baltimore, Md.	865	Earache Through the Nasal (Sphenopalatine or Meckel's) Ganglion, Control of: Greenfield Sluder, St. Louis, Missouri	856
Colon and Rectum, Malignant Adenomata of the: John L. Jelks, Memphis, Tenn.	816	Eclampsia and Pre-Eclamptic Conditions: George H. Lee, Galveston, Tex.	561
Colon, Syphilis of the: J. P. Keith, Louisville, Ky.	709	Elbow and Wrist, Treatment of Fractures Near the Shoulder: W. W. Harper, Selma, Ala.	832
Control of Earache Through the Nasal (Sphenopalatine or Meckel's Ganglion: Greenfield Sluder, St. Louis, Missouri	856	Encephalo-Meningocele Through the Foramen Cecum: W. L. Funkhouser, Atlanta, Ga.	335
Control of Glossodynia Through the Nasal (Sphenopalatine or Meckel's) Ganglion, The: L. W. Dean, Iowa City, Iowa	856	Endocrines, A Further Report on the Classification of Birth Paralyzes as: Lee Ben Clarke, Atlanta, Ga.	534
Control of Mandibular Pain Through the Nasal (Sphenopalatine or Meckel's) Ganglion, The: Greenfield Sluder, St. Louis, Mo.	856	Endocrines in Children: W. W. Harper, Selma, Ala.	536
Copper: Filter in the Roentgen Treatment of Deep-Seated Malignancies, Observations on the Use of the: Thos. A. Groover, Arthur C. Christie and Edwin A. Merritt, Washington, D. C.	440	Endoscopy, The Increasing Importance of Peroral: T. E. Carmody, Denver, Colo.	585
Cornu Cutaneum, Report of a Case of: F. R. Crawford, Kashira, China	843	Entamebic Disease: Diagnosis and Treatment, Prevalence of: G. C. Kilpatrick, Mobile, Ala.	275
Correlation of Medicine and Bacteriology: M. L. Graves, Galveston, Tex.	931	Esophagus, Diverticula of the: Chas. G. Lucas, Louisville, Ky.	542
Correlation of Medicine and Physiology: John T. Halsey, New Orleans, La.	929	Etiology and Treatment of Pellagra, The: W. E. Deeks, New York, N. Y.	891
County Problems and How Best to Take Care of Them, Unorganized: Ennion G. Williams, Richmond, Va.	631	European Impressions and Personal Experience in the Use of High Voltage X-Rays in Deep-Seated Malignancy: Robert H. Millwee, Dallas, Tex.	444
Cystic Mastitis (The "Shotty" Breast) (Reprint 108), The Clinical Picture of the Diffuse Type of Chronic: Joseph C. Bloodgood, Baltimore, Md.	907	Examination, Coming: J. S. Rodman, Philadelphia, Pa.	333
Cysts and Cystic Tumors of the Caruncle: Report of a Case of Sebaceous Cyst of the Caruncle: John Green, Jr., St. Louis, Mo.	234	Experience in the Use of High Voltage X-Rays in Deep-Seated Malignancy, European Impressions and Personal: Robert H. Millwee, Dallas, Tex.	444
D		Explanation, An: George W. Crile, Cleveland, Ohio	428
Deformities of the Nose and Their Correction by the Intra-Nasal Route, External: Sidney Israel, Houston, Tex.	324	Exstrophy of the Bladder: W. W. Grant, Denver, Colo.	297
Degeneration, Progressive Lenticular: M. L. Graves, Galveston, Tex.	792	Eye, Nose and Throat Infections, Malaria and: Harvey B. Searcy, Tuscaloosa, Ala.	406
Departments, Full-Time Clinical: George Dock, St. Louis, Mo.	1013	F	
Diabetes, A Discussion of the Newer Methods in the Treatment of: Elliott P. Joslin, Boston, Mass.	93	Fat Intolerance: Philip F. Barbour, Louisville, Ky.	777
Diagnosis of Cardiac Anginal Pains, Significance and: D. D. Paulus, Oklahoma City, Okla.	545	Feeding, The Teaching of Infant: W. McKim Marriott, St. Louis, Mo.	530
Diagnosis of Gastro-Intestinal Diseases, The X-Ray as an Adjunct in: Fred H. Clark, Oklahoma City, Okla.	606	Fetus in Utero, The Interruption of Pregnancy at Term with a Consideration of the Methods of Estimating the Maturity of the: W. H. Vogt, St. Louis, Mo.	290
Diagnosis of Post-Operative Pulmonary Abscess, On the Clinical Course and: Charles L. Minor, Asheville, N. C.	749	Fever, The Treatment of Puerperal: John T. Altman, Nashville, Tenn.	829
Diagnosis of Pulmonary Tuberculosis, The: Louis Hamman, Baltimore, Md.	523	Field Work on Tuberculosis: Henry Boswell, Sanatorium, Miss.	466
Diagnosis of Pulmonary Tuberculosis, X-Rays in the: John D. MacRae, Asheville, N. C.	870	Filter in the Roentgen Treatment of Deep-Seated Malignancies, Observations on the Use of the Copper: Thos. A. Groover, Arthur C. Christie and Edwin A. Merritt, Washington, D. C.	440
Diagnosis of Sterility in Women: M. Y. Dabney, Birmingham, Ala.	1001	Fish as an Anti-Mosquito Agency: J. A. L. Prince, Memphis, Tenn.	371
Diarrhea in Young Children, Infectious: Ralph C. Spence, Dallas, Tex.	189	Food Allergy as a Cause of Abdominal Pain: W. W. Duke, Kansas City, Mo.	599
Digestive Therapy, The Rationale of: Ernest H. Gaither, Baltimore, Md.	611	Foot, Three Cases of Gangrene of the: J. A. Mitchell, Tullahoma, Tenn.	916
Digitalis, The Tolerance of Children for: Hugh McCulloch and Wayne A. Rupe, St. Louis, Mo.	981	Foramen Cecum, Encephalo-Meningocele Through the: W. L. Funkhouser, Atlanta, Ga.	335
Diphtheria, Active Immunization Against: Aldert Smedes Root, Raleigh, N. C.	980	Fracture, Service of City Hospital, Dallas, Tex., Treatment as Applied on the: W. B. Carroll, Dallas, Tex.	479
Diphtheria and Hemolytic Streptococcus Carriers as Shown by Tonsil Sections and Growth After Enucleation: Geo. E. Adkins, Jackson, Miss.	147	Fractures Near the Shoulder, Elbow and Wrist, Treatment of: W. W. Harper, Selma, Ala.	832
Diphtheria, Tracheo-Bronchial: Homer Dupuy, New Orleans, La.	321	Fractures of Long Bones, A Good Method of Treating Selected: W. Barnett Owen, Louisville, Ky.	425
Disease: Diagnosis and Treatment, Prevalence of Entamebic: G. C. Kilpatrick, Mobile, Ala.	275	Fractures of the Skull: Ernest Sachs, St. Louis, Mo.	876
Disease in Infants and Young Children, Paranasal Sinus: L. W. Dean, Iowa City, Iowa	846	Fractures: Operative Treatment of Certain, Femur, Humerus, Forearm: Edwin W. Ryerson, Chicago, Ill.	473
Disease, The Possibilities of Cooperation of Railroad Officials with Local, State and Federal Boards of Health in the Prevention of: Joe P. Bowdoin, Adairsville, Georgia	468	G	
		Gall-Bladder, Relative Value of Operation on the: W. A. Bryan, Nashville, Tenn.	209
		Gall-Bladder with an Analysis of Five Hundred and Twelve Cases, The Surgery of the: W. H. Goodwin, Charlottesville, Va.	712
		Ganglion, Control of Earache Through the Nasal (Sphenopalatine or Meckel's): Greenfield Sluder, St. Louis, Missouri	856

- Ganglion, The Control of Glossodynia Through the Nasal (Sphenopalatine or Meckel's): L. W. Dean, Iowa City, Iowa..... 856
- Ganglion, The Control of Mandibular Pain Through the Nasal (Sphenopalatine or Meckel's): Greenfield Sluder, St. Louis, Mo..... 856
- Gangrene of the Foot, Three Cases of: J. A. Mitchell, Tullahoma, Tenn..... 916
- Gastro-Intestinal Diseases, The X-Ray as an Adjunct in Diagnosis of: Fred H. Clark, Oklahoma City, Okla. 606

Milk to Diseases in Children Consuming It, The Relation of Bacterial Count in: J. Ross Snyder, Birmingham, Ala.	33	Pain, Food Allergy as a Cause of Abdominal: W. W. Duke, Kansas City, Mo.	599

Pains, Significance and Diagnosis of Cardiac Anginal: D. D. Paulus, Oklahoma City, Okla. 545

Pain Through the Nasal (Sphenopalatine or Meckel's) Ganglion, The Control of Mandibular: Greenfield Sluder, St. Louis, Mo. 856

Pancreatic Pathology, The Duodenal Tube in the Study of Liver and of: C. W. Dowden and C. D. Enfield, Louisville, Ky. 103

Papilloma of the Pelvis of the Kidney, Report of a Case of: O. S. McCown, Memphis, Tenn. 841

Paralyses as Endocrines, A Further Report on the Classification of Birth: Lee Ben Clarke, Atlanta, Ga. 534

Pathology and Medicine and Surgery, Correlation of: Kenneth M. Lynch, Dallas, Tex. 1005

Pathology, Hydrochloric Acid in Gastro-Intestinal: J. C. Johnson, Atlanta, Ga. 799

Pediatrics—Retrospective and Prospective, Southern: W. A. Mulherin, Augusta, Ga. 1

Pellagra in a Young Child, An Interesting Case of: Robert A. Strong, Pass Christian, Miss. 550

Pellagra, The Etiology and Treatment of: W. E. Deeks, New York, N. Y. 891

Pellagra, The Infectious Theory of: W. J. MacNeal, New York, N. Y. 899

Pelvis of the Kidney, Report of a Case of Papilloma of the: O. S. McCown, Memphis, Tenn. 841

Pericarditis, with Post Mortem Findings, Aneurysm of the Heart Complicated with Chronic Mediastino: Ellsworth Smith, St. Louis, Mo. 962

Perisinus Abscess: Sinus Normal, Choked Discs from: J. H. Buckley, Fort Smith, Ark. 762

Physical Signs in the Chest, Influence of Posture on: J. Birney Guthrie, New Orleans, La. 771

Physicians, Women: Elizabeth C. Kane, Memphis, Tenn. 937

Physics and Technic of Roentgen Ray Work, Some Points in the: A. L. Gray, Richmond, Va. 185

Physiology and Surgery, Correlation of: Frank K. Boland, Atlanta, Ga. 1007

Physiology, Correlation of Medicine and: John T. Halsey, New Orleans, La. 929

Plastic Operations for Defects Due to Noma: J. Shelton Horsley, Richmond, Va. 557

Pneumothorax in Pulmonary Tuberculosis: Its Occurrence and Management, Spontaneous: I. S. Kahn, San Antonio, Tex. 972

Pollution, a Public Health Problem of Today, Soil: E. L. Bishop, Nashville, Tenn. 625

Polyglandular Disturbance with Infantile Genitalia in a Boy Seventeen and One-Half Years: Complete Cure at Twenty-One Years, An Apparently Hopeless Case of: Chas. E. Boynton, Atlanta, Ga. 619

Post-Mature Child, The: Charles B. Reed, Chicago, Ill. 286

Post-Operative Care in Surgical Conditions of the Kidney: H. W. E. Walther, New Orleans, La. 305

Post-Operative Pulmonary Abscess, On the Clinical Course and Diagnosis of: Charles L. Minor, Asheville, N. C. 749

Posture on Physical Signs in the Chest, Influence of: J. Birney Guthrie, New Orleans, La. 771

Practice, Association vs. Isolation for a Young Man in Private: Stewart R. Roberts, Atlanta, Ga. 411

Practice, The Relation of a Group to a Public Hospital, Is It Essential for a Group to Control Its Hospital? The Advantages and Disadvantages of Group: 421

Pregnancy at Term with a Consideration of the Methods of Estimating the Maturity of the Fetus in Utero, The Interruption of: W. H. Vogt, St. Louis, Mo. 290

Premature Infant: Case Report, Intestinal Obstruction in a: R. C. Woodard, Miami, Fla. 915

Prevention of Disease, The Possibilities of Cooperation of Railroad Officials with Local, State and Federal Boards of Health in the: Joe P. Bowdoin, Adairsville, Ga. 468

Preventive Measures Instituted, The Summer Peak of Infant Mortality in South Carolina 1921: E. A. Hines, Seneca, S. C. 552

Prives, Methods of Getting People to Build: A. T. McCormack, Louisville, Ky. 818

Problems, Our: O. H. McCandless, Kansas City, Mo. 17

Prostatectomy, A Modification of Young's Perineal: A. J. Crowell, Charlotte, N. C. 45

Prostatectomy: Pre- and Post-Operative Treatment: Raymond Thompson, Charlotte, N. C. 650

Prostate, The Problem of Chronic Infection of the: A. Nelken, New Orleans, La. 730

Prostatic Surgery, Some Observations on: F. L. Carson and E. L. Yeakel, Shawnee, Okla. 727

Protein Sensitization Tests, The Clinical Value of: Sydney R. Miller and Walter A. Baetjer, Baltimore, Md. 865

Psychiatry, Psychopathology and Their Relation to General Medicine, Pediatrics, Gastro-Enterology and Other Specialties, in Particular the Eye, Ear, Or-

thopedics and Genito-Urinary Disease, The Teaching of Neurology: Tom A. Williams, Washington, D. C. 8

Psychoneuroses, Early Manifestations of: Louis E. Bisch, Asheville, N. C. 885

Psychoneuroses in Their Incipency: Sidney I. Schwab, St. Louis, Mo. 831

Psychoneurotics, Some Evidences of Inadaptability in Ex-Service: G. H. Benton, Gulfport, Miss. 992

Psychopathology and Their Relation to General Medicine, Pediatrics, Gastro-Enterology and Other Specialties, in Particular the Eye, Ear, Orthopedics and Genito-Urinary Disease, The Teaching of Neurology, Psychiatry: Tom A. Williams, Washington, D. C. 8

Public Health Problem of Today, Nutrition: The Most Important: Seale Harris, Birmingham, Ala. 955

Puerperal Fever, The Treatment of: John T. Altman, Nashville, Tenn. 829

Pulmonary Abscess, On the Clinical Course and Diagnosis of Post-Operative: Charles L. Minor, Asheville, N. C. 749

Pulmonary Tuberculosis: Its Occurrence and Management, Spontaneous Pneumothorax in: I. S. Kahn, San Antonio, Texas 972

Pulsus Alternans: Its Significance and Recognition by Ordinary Clinical Methods: Randolph Lyons, New Orleans, La. 431

Pyloric Stenosis, Complicated with Marked Pylorospasm, Report of a Case of Hypertrophic: H. Leslie Moore, Dallas, Tex. 699

Pylorospasm, Report of a Case of Hypertrophic Pyloric Stenosis, Complicated with Marked: H. Leslie Moore, Dallas, Tex. 699

Pyonephrosis, Spina Bifida with Associated Diverticulum of Bladder (Urachus) and: Joseph H. Smith, Memphis, Tenn. 302

R

Radiology or Surgery in Diseased Tonsils: Robert H. Lafferty and C. C. Phillips, Charlotte, N. C. 237

Radium in the Treatment of Uterine Cancer: C. O. Donaldson and G. E. Knappenberger, Kansas City, Mo. 224

Radium Therapy, The Present Status of: Everett S. Lain, Oklahoma City, Okla. 495

Radium, The Treatment of Cancer of the Uterus with: Louis Frank, Louisville, Ky. 489

Railroad Officials with Local, State and Federal Boards of Health in the Prevention of Disease, The Possibilities of Cooperation of: Joe P. Bowdoin, Adairsville, Ga. 468

Railroad Surgeon, Types of Injuries Met by the: John H. Blackburn, Bowling Green, Ky. 143

Railway Injuries, The Conservative Treatment of: W. H. Blake, Sheffield, Ala. 318

Railway Surgery, The Correlation of X-Ray Interpretations with Clinical Findings and End Results in: E. T. Newell, Chattanooga, Tenn. 402

Rebuttal, A: Frank A. Jones, Memphis, Tenn. 166

Rectum, Malignant Adenomata of the Colon and: John L. Jelks, Memphis, Tenn. 816

Resolution, A: L. H. Webb, New Orleans, La. 768

Respiratory Tract, Climatic Influence in Infection of the Upper: Chas. A. McWilliams, Gulfport, Miss. 924

Retro-Displacement of the Uterus, with Suggestions Regarding Their Proper Treatment: Wm. T. Black, Memphis, Tenn. 310

Rhinological Experiences in Ophthalmology, Some: Greenfield Sluder, St. Louis, Mo. 230

Roentgen Ray Work, Some Points in the Physics and Technic of: A. L. Gray, Richmond, Va. 185

Rural Administration of Anti-Syphilitic Treatments: Hardie R. Hays, Jackson, Miss. 387

Rural Communities, Control of Typhoid in: Aleck P. Harrison, Austin, Tex. 621
